ADMINISTRATION

TO THE CLASS OF 1986:

The pictures in this 1986 edition of the Aurora will assist you in recalling the events and activities of your four years of high school primarily your senior year. Our association has also included your educational and extra curricular experiences in the upper elementary and middle school grades. My memories of that experience are all very pleasant. We take pride in your achievements and wish you every success in all your future endeavors.

Sincere best wishes,

Joseph C. Harrington, Ed. D.
Superintendent of Schools

Our awarding you with a diploma is the official way of saying that you are ready to leave the sheltered life of high school. We, on graduation, have proclaimed that you have the necessary skills to be successful in the next step in your life. Your future now is in your own hands. How well you use the education that you have received depends on you. The most that we can do at this time is to wish you happiness, good health, and success. This we do with unbounded sincerity and genuine affection for each of you.

Mr. Marshall Sawyer
Principal

To the Class of 1986:

Hopefully, your years at D-R were a mixture of hard work, good times, lasting friendships, and rewarding experiences. If so, when you reflect back to the time spent here, the memories will be pleasant ones. Now that you have graduated you will soon come to realize that experiences you will encounter will put your education to the test. My wish is that each and everyone of you will have a life filled with success and be blessed with good health.

George H. Petrin
Assistant Principal

Congratulations to you, the class of 1986! You have completed your high school education at Dighton-Rehoboth Regional High School and now you are ready for new beginnings. Take the best of who you are, take the best of what you have learned and experienced here and continue to grow and develop. Share the gifts and talents that are yours. Each of you is needed to make this world a better place. Good luck and much success in all you do!

Francis M. Marcille
Assistant Principal
Director of Occupational Education

To the Class of 1986 —
I wish you an Irish Blessing:

"May there always be work for your hands to do.
May your purse always hold a coin or two.
May the sun always shine on your windowpane.
May a rainbow be certain to follow each rain.
May the hand of a friend always be near you.
May God fill your heart with gladness to cheer you."

I wish you this and more. Congratulations and best wishes always.

STUDENT GOVERNMENT

The Student Government

Friendly service!

Lorie Martin pours the punch.

Do you wanna buy a cake?

The Student Government has had a busy year. In September, the officers, President Leslie Handrigan, Vice-President Hans Giller, Secretary Donnalee Leonardo, and Treasurer Cheryl Silva, attended the South Eastern Mass. Association of Student Councils. There they gathered information on improving school spirit. The convention helped the Student Government in their endeavors for the year, which included a Thanksgiving Day Basket Drive, Santa Letters, and a toy drive was also held to benefit children at the Paul Dever School. Dighton-Rehoboth keychains were sold as well as candy to help the government treasury. For Valentine's Day the Save a Sweetheart Campaign was sponsored to stop smokers from their habit for a day. A campaign, headed by Kevin Williams was held to benefit the Space Shuttle Fund in Colorado to help build a new space shuttle after the tragedy in January. The annual Bloodmobile was held and the student government also voted on the recipient of the Mustard Seed Scholarship. And last but not least the annual Ham and Bean Supper which benefits the Citizen Scholarship Fund proved to be a success once again.

NATIONAL HONOR SOCIETY

The NHS

Here's an example.

Peggy Russell tutors.

The National Honor Society has had a busy, productive year. The number of students who are being tutored by NHS members has increased dramatically this year, and that service has benefitted both the students being tutored and the students doing the instruction. For this service we rely upon 35 members, 23 of whom were inducted into the NHS at the Induction Ceremony in November. NHS members have also sold refreshments at the basketball games this year and conducted their annual carnation sale on Valentine's Day. In addition, we have served as guides whenever that function has been requested. Our NHS chapter was efficiently led this year by President Andrew Schultz, Vice-President Cheryl Silva, Secretary Lorie Martin, and Treasurer Karen Yelle.

SKI CLUB

The Ski Club

You expect me to wear this?

Let's go there!

This year the Ski Club had a very active season. In early December Club members spent a weekend at Killington, Vermont. Those attending enjoyed two days of excellent skiing and relaxation. Many new members attended and are looking forward to next year's season. In February another weekend trip was held. The club spent the weekend at the Hunt's lodge at Mount Snow in Vermont. Again everyone enjoyed the skiing. The club is looking forward to another active season.

NEWSTREET

Newstreet enjoyed its most successful year in 1985-1986. After much planning, the publication staff took on a limited number of advertisements and contracted an outside lithographer to handle the printing of the newspaper. The result — a professional looking newspaper with photographs!

Not only did the newspaper try to provide a forum for students' views and opinions, but many D-R students also had the opportunity to make ''cameo appearances'' in the familiar *Newstreet* collages.

This is NEWSTREET.

Hey, that looks like it would make a good article!

DECA

The Deca Club

This shirt's on sale at 10% off.

Oh, Wow! a rubik's cube!

The DECA Club had a very successful year. In February the club competed at the Hyannis Regency in Hyannis, Massachusetts against fourteen District I high schools. The DECA juniors and seniors came home with 25 awards. At the State Conference in Braintree the club won 15 awards competing against 88 schools from the state. Christina Amaral was elected as the first state DECA officer from D-R. This is a great accomplishment for Christina.

The club sponsored a Christmas Party for Meeting St. School and they also held the 6th annual Senior Citizen Spaghetti Supper. The club held two fundraisers this past year and raised over $1,000 to help defray the DECA conference costs.

Next year the DECA Club will be operating the Football Concession stand. Hopefully the profits will reduce the costs of next years conferences.

RUNNING CLUB

This club was set up as a group activity to give non-running students incentive to run and running students the opportunity to work out with others. The students formed teams and estimated the mileage their team could accumulate within the three month period. Using Boston as a starting point, the students plotted their estimated mileage to another city on the east coast. The new city became their destination. Team captains were responsible for keeping track of mileage. To accumulate mileage the students could run at home or at school. Outstanding club members were: Melissa Wood, Diana Delsignore, Denise Delsignore, Amy Ficorilli and Karen Spratt.

The purpose of the "Media Club" is to give interested students an opportunity to participate in the running of a library. The members of the Media Club give their free time during study hall to do work in the library. Their role in the library is multi-faceted. They sort the library's daily mail, check books in and out, shelf books, and help deliver audio-visual equipment requested by the faculty. Because of the invaluable service these aides provide, the library functions much more efficiently.

ART

In November, the members of the Art Club traveled to the Museum of Fine Arts in Boston where they viewed the works of Impressionist painter, Pierre August Renoir. Being the social art event of the 1985-86 season in Boston, students found themselves competing with crowds to catch a glimpse of the masterpieces. After purchases from the Museum store consisting of books to Renoir T-shirts, the group moved on to Quincy Market. This year the club also viewed the Boston Globe Scholastic Art Show at S.M.U.

The club members are presently designing and printing T-shirts as a fundraising project.

We made it through the rain!

Here it comes!

The 1985 Football season marked the debut of the South Coast Conference. The DR Falcon Football squad, after a slow start, earned a share of the title with New Bedford Voke, Case, and Seekonk. The Team compiled a 6-2 league record and a 6-4 overall record.

Four D-R seniors Wayne Bilodeau, Steve Masciarelli, Matt McDonnel, and Kevin Koss earned all-league honors.

The season was highlighted by 3 "must" wins over Case, Fairhaven, and Seekonk at the season's end. With an opportunity to be co-champs, the Falcons defeated a strong Seekonk team in the rain and the mud on Thanksgiving. The victory out over Seekonk also gave D-R a run of 3 consecutive Turkey Day victories and the first time the Falcons have ever retired the Thanksgiving Day Trophy.

FOOTBALL CHEERLEADING

The Squad

Wet but not weary!

The Varsity Football Cheerleaders had a most successful season this year. Although they began with one of the youngest and most inexperienced squads in D-R's history, their hard work and determination led to a very productive and enjoyable season. Freezing rain, wind, cold, nothing could keep these girls from cheering. They really deserve a lot of praise and happily I can give it to them!

Maybe not.

FME

The Falconeer's Marching Ensemble

3 on the sax.

Keeping the beat.

The 1985-86 Falconeers Marching Ensemble has had one of its most successful seasons, despite the weather. The members of the Marching Band, Majorettes, and Pep Squad have shown the most enthusiasm and dedication that has been seen in a long time. We have achieved one of our greatest goals with the help of the FME Parents Support Group, the Administration, and the School Committee by raising enough money for the purchase of new uniforms. With the support of the town's people we have raised funds by holding bottle/can drives, car washes, raffles, and selling refreshments at concerts. We are anxiously anticipating our new look next year.

MAJORETTES

The Majorettes

Kim Araujo and her crew.

The Majorette Squad of the D-R FME accomplished another successful season. With the enthusiastic help of advisor, Mrs. Corry, the squad had more spirit than ever. Outstanding new routines concluding with skillful mounts provided football fans with a very talented and entertaining half-time show. We had a great time and we hope you did too!

Coming through!

PEP SQUAD

The Pep Squad

Get on down!

Left turn.

The Pep Squad of the D-R Falconeers Marching Ensemble had a season full of spirit, enthusiasm and originality. The girls worked as a team to provide exciting new dances and side line activities to spur our football team on to victory. Mrs. Corry and the Pep Squad had a great season and are looking forward to new and different challenges next year.

High 5!

Here goes!

The D-R Varsity Field Hockey Team concluded its outstanding season with a 12-3-1 record. The new competition in the South Coast Conference proved to be intense. Case finished in first place, and Old Rochester and D-R in second place. Natalie Monteiro broke all scoring records at D-R with 25 goals and nine assists. She was voted the number one player in the league and made the all-star team along with Shawne McElroy, Tina Berry, and Jen Wood.

The post season play was unfortunately halted in the first game, with a 3-2 loss to Stang. D-R scored in the first minute of play to take an early 1-0 lead. Kate Collins scored both goals but it wasn't enough to beat Stang.

This year's cross country team — both boys' and girls' — were the strongest in the school's history. The girls' team was led by junior Gail Creighton, sophomore standout Jodi Silvia, and freshmen Christa Irving, Karen O'Connell, and Tammy Burrell. The boys' team, which captured sixth position in the Division III State Championships and second in the South Coast Conference Championships, was led by senior Tom Tracy who established a new course and school record of 13:33.8, in addition to being named to the Boston Herald's All-Scholastic State Team. Tom was reinforced by seniors Peter Annunziato, William Neville, and Steve Boskus, juniors Carl Benker and Robert Sullivan, and sophomore Michael Jack.

Cornered by the Falcons

Outa my way!

The freshmen basketball team enjoyed a very successful season, finishing with a 12-6 record. This was the result of much hard work and dedication by the players. The highlight of the season was a come from behind victory over Old Rochester on a Kevin Swist basket at the buzzer. The team's leading scorers were Kevin Swist and Dave Wood. Jamie Olney and Ron Whitmore showed considerable progress as the season went on. Fine ballhandling by Eric Courcy and Chris Lindblom and strong efforts by Andy Johnson, Kirk Lizotte, Scott Stonstrom, and Jason Rivard off the bench helped contribute to the team's fine record. It is very important to all teams that all players contribute and Billy Palmer, Eric Dumke, Chad Allen, Dale Drowne, and Rob Fredericks made their contribution by working hard at practice every day.

The Varsity Basketball Cheerleading Squad was filled with enthusiasm and hope this year in that Coach Field and his team would lead us through an exciting basketball season. Needless to say we weren't disappointed! Congratulations to the Cheerleaders on their successful season. The hard work really paid off! After all, what's basketball without cheerleaders?

A Daydreamer

The JV Girls' Basketball Team enjoyed a surprisingly successful season. The young Falcons finished with a 12-4 record. The team was dominated by a large number of freshmen who performed beyond expectation. Freshmen Chris Monteiro and Brenda Bilodeau led the team with strong leadership and consistently good court play. These girls were helped by veterans Toni and Tina Berry, Paula Desmarais and Leslie Hope who saw limited action on the JV team. Several other players made important contributions. Freshmen Kelly Hamilton, Rachel Bredemeier, Audra Roderiques, and Kyle Chase were heavily relied upon and the skills of each helped make the team well rounded and highly successful.

The Varsity Softball Team competed in what many termed ''the strongest softball league in the state'' and finished with a 10-8 record. The bulk of the team will return next year, however 5 key players were lost to graduation. They are co-captains Lisa Proc and Missy Rose, Donnalee Leonardo, Kathy Saunders and Tammy Latham. Much of the team's success was because of the talents, hardwork and dedication of these seniors.

Against the Wind

I learned a new break dance step.

Here I come!

The 1986 Falcons Track Team had one of the most successful teams in D-R Track and Field history, sporting a 7-1 record. Captain Tom Tracy established a new school record in the mile with a time of 4:32.6 in addition to being one of the most versatile distance runners in the school's history. Bill Neville in the high jump and the 880 likewise demonstrated outstanding ability, being defeated in dual competition in the 880 only once in two years. These two seniors were also complemented by senior captain Kevin Koss and junior stars Glen Heath, Ed Collins, Carl Benker, and Bob Sullivan. Sophomore distance and middle distance runner Mike Jack with his creditable performances this year promises to become one of the best, distance runner middle distance runner in the school's history.

Last season's promise came to fruition, as the Falcons ran for seven victories in the ten duel meets, matching the second best D-R record. The team was once again led by Kate Collins who dominated the area and Class C in the long jump. Kate was a consistent winner in four events. She was complimented by several outstanding first year performers. Rookies Carol Torrey, Christa Irving and Julie Benker played important roles for the Falcons as they scored regularly for the team. Along with these girls, several veterans stood out and aided considerably to the team's success. They were: Maureen Sullivan, Colleen Ring, Lisa Tweedy, Naomi Taylor and Jen Wood.

A Future Pro?

Here goes nothing.

After three frustrating seasons, the Golf team put it all together in its first year in the South Coast Conference. The team's record of ten wins and two losses resulted in a second-place finish in the conference and a berth in the State Championship playoffs. The highlight of the season was the Falcons' victory in the Conference Tournament in October. Key performers this seasons were All-Conference selections Steve Treacy, Bob Sears and Jon Inman, as well as Conference honorable mention selection Brian Gibson, Andy Kelley, Wayne Vieira and Drew Mullert. Finally, an enthusiastic group of freshmen make prospects for the future look very bright.

The girls' tennis team compiled a record of 3 wins and 9 losses. Although the record was disappointing the season did have its high points. The team beat Wareham twice and Apponequet. The two losses to Bourne and the one loss to Apponequet were very close. Senior co-captains Melissa Wood and Stephanie Silva as well as senior Cheryl Silva will be missed next season. Junior Lorrie Turgeon, sophomores Kim Falvey, Laurel Stephens, Kelly McCaughlin, Beth Wilson, Leslie Hope and freshman Karen Horlbeck all showed improvement as the season went on. The outlook for next season should be brighter for next season.
